# Advanced Training ➤

**2014 Advanced Training Session  
Buddhist Church of Sacramento  
2401 Riverside Boulevard  
Sacramento, CA 95818**

June 2014

Dear Dharma Friends:

We hope you are enjoying this beautiful fall time of year. At your request we have been planning an Advanced Training Session to be held August 15-17, 2014 at the Sacramento Betsuin. We are planning for this session to be a great follow-up with more wonderful Dharma sessions.

Please note that there is an additional form that we are asking you to return. Please obtain your resident minister's signature on the form (Minister's Approval). This form is letting your minister know that in recommending you for advanced training they are willing to further train and encourage you. This is necessary as this session and future sessions will require your participation in services at your Temple. Additionally, please note the registration fee of \$120 (made payable to the **Sacramento Minister's Assistants**) along with the enclosed forms by **July 30, 2014**. The check is made to the Sacramento Minister's Assistant as we are using this account to budget the session. The transportation information can be sent later.

We are planning a very special weekend of unique activities and interesting classes. If you have any questions, please contact Patti Oshita at (916) 428-9833, [poshita@comcast.net](mailto:poshita@comcast.net). See you at the Sacramento Betsuin!
